

## **Rose Duet**

## Rose Hydrosol & Moringa Rose Oil

dōTERRA\* brings you two delightful additions to your daily skin care, with soothing, refreshing Rose Hydrosol Mist and comforting, hydrating Moringa Rose Nourishing Oil.

- Moringa Rose gently melts into skin and helps create a soft, dewy, luminous complexion.
- Reduce the appearance of skin imperfections and promote a healthy-looking and even skin tone.
- Rose Hydrosol Mist is an instant pick-me-up for your face with a light, rosy-floral aroma.
- · Helps revitalize dry, tired skin.
- Gives the complexion a healthy-looking radiance.

Available for a limited time individually or as a set. Limit 4 per cutomer.

The gentle, relaxing aroma of Lavender promotes a peaceful environment. When taken internally, it can help soothe and relax the mind.\*

- Add it to bathwater for a soothing soak
- · Soothe minor skin irritations and bites.
- Add to marinades, baked dishes, and desserts.
- Reduce the appearance of skin imperfections.
- Add a few drops to bedding to prepare for a restful night's sleep.
- Encourage feelings of mental clarity and focus.

Artfully crafted to welcome the arrival of spring, Citrus Bloom® essential oil blend exquisitely marries the vibrant aroma of citrus zest with the fragrance of freshly cut flowers.

- Elevate a massage by adding a few drops to hand or body lotion.
- Apply a drop to the wrists or diffuser jewelry for a unique personal aroma.
- Add a drop to your dryer balls.
- · Provides a vibrant, spring-inspired aroma.
- Fills any space with the aroma of citrus and freshly cut flowers, creating an inviting atmosphere.
- Diffuse three to four drops to brighten the day.

## Mālama® Limited Time Offer
